

FROM THE MID FACE TO THE BROW - ADVANCED TECHNIQUES IN PERIORBITAL REJUVENATION AND ASIAN BLEPHAROPLASTY

CROWN CONFERENCE CENTRE
15 - 17 FEBRUARY 2019

ENDORSED BY

Endorsed by The Australasian Society of Aesthetic Plastic Surgery, The Australian Society of Plastic Surgeons and approved by the Royal Australasian College of Surgeons, Mr. Graeme Southwick, Mr. Morris Ritz, Mr. Andrew Greensmith, Mr. Damon Thomas, Mr. Edmund Ek and Mr Rodrigo Teixeira have great pleasure to invite you to support the 23rd Annual Advanced Aesthetic Plastic Surgery Workshop to be held at the Crown Conference Centre from 15th – 17th February 2019.

For 2019, we are pleased to advise our Workshop will focus on Advanced Techniques of Periorbital Rejuvenation.. In keeping with gaining the most from the visit of our guest professors, we will also feature other topics of aesthetic interest. A host of talented local experts will also be included. We wish to raise the standards of management for the betterment of the specialty and hence to improve patient outcomes, as well as to raise the bar in an already high standard plastic surgery community.

The workshop will include didactic teaching, video presentations of surgical procedures and panels for discussion. Interaction of all participants with our guests will be encouraged.

We encourage you to not only support this meeting, which has become entrenched in our yearly plastic surgery calendar, but also to become involved with all participants to help us make this a great meeting to the mutual benefit of all plastic surgeons, plastic surgery trainees, dedicated plastic surgery nurses and the sponsors.

VENUE

This year the Workshop will once again be held at the Crown Conference Centre in Southbank. Crown is located in the heart of the action – Melbourne’s vibrant Southbank entertainment precinct. Crown Conference Centre is adjacent to the Crown Entertainment Complex, close to the CBD, the Melbourne Exhibition Centre, and the city’s most famous arts and sporting facilities.

The facilities for the industry are excellent and allow for well-integrated flow between the lecture room and the exhibition area. The cost of a space for the three days will be \$6,300.00 + GST. This will also include meals for two representatives.

Crown is home to three world-class hotels, the luxurious Crown Towers, the relaxed and a ordable Crown Promenade and the elegant Crown Metropol. Further details on each of the hotels are available at www.crowncasino.com.au/hotels. Bookings may be made on the online registration site.

All morning, afternoon teas and lunches for the delegates will be served in the exhibition display room and pre-function area. Arrangements for bump-in have been made with the Crown Conference Centre for the late morning on Thursday 14th February 2019. The meeting will conclude by 12:30pm on Sunday 17th February 2019.

There are many opportunities for full or co-sponsorship including – Pre-conference mini workshops, sponsorship of the guest speakers, transport, delegate satchels, morning and afternoon teas, lunch, gourmet coffee cart, VIP room drops, company branded pens & pads and lunches.

If you wish to participate, please complete the booking form on Pg 7, and return to Damon Thomas, with a copy to Anna Scholten from The Production House Events:

“Congratulations on yet another extremely well run and educational experience.” **Dr Julian Loft**

“My experience at the 2015 AAPSW far exceeded my expectations. The quality of content in both depth and breadth was impressive. The format was creative and interesting, allowing for learning in a dynamic environment with lots of discussion, interchange, and debate rather than the dry didactic lectures seen in some other meetings. The atmosphere and social offerings were wonderful, imbuing the entire meeting with an air of warmth and camaraderie. I would highly recommend attending this meeting to anyone with an interest in learning but who seeks fun and engagement with a great group of people.” **Dr David Kim**

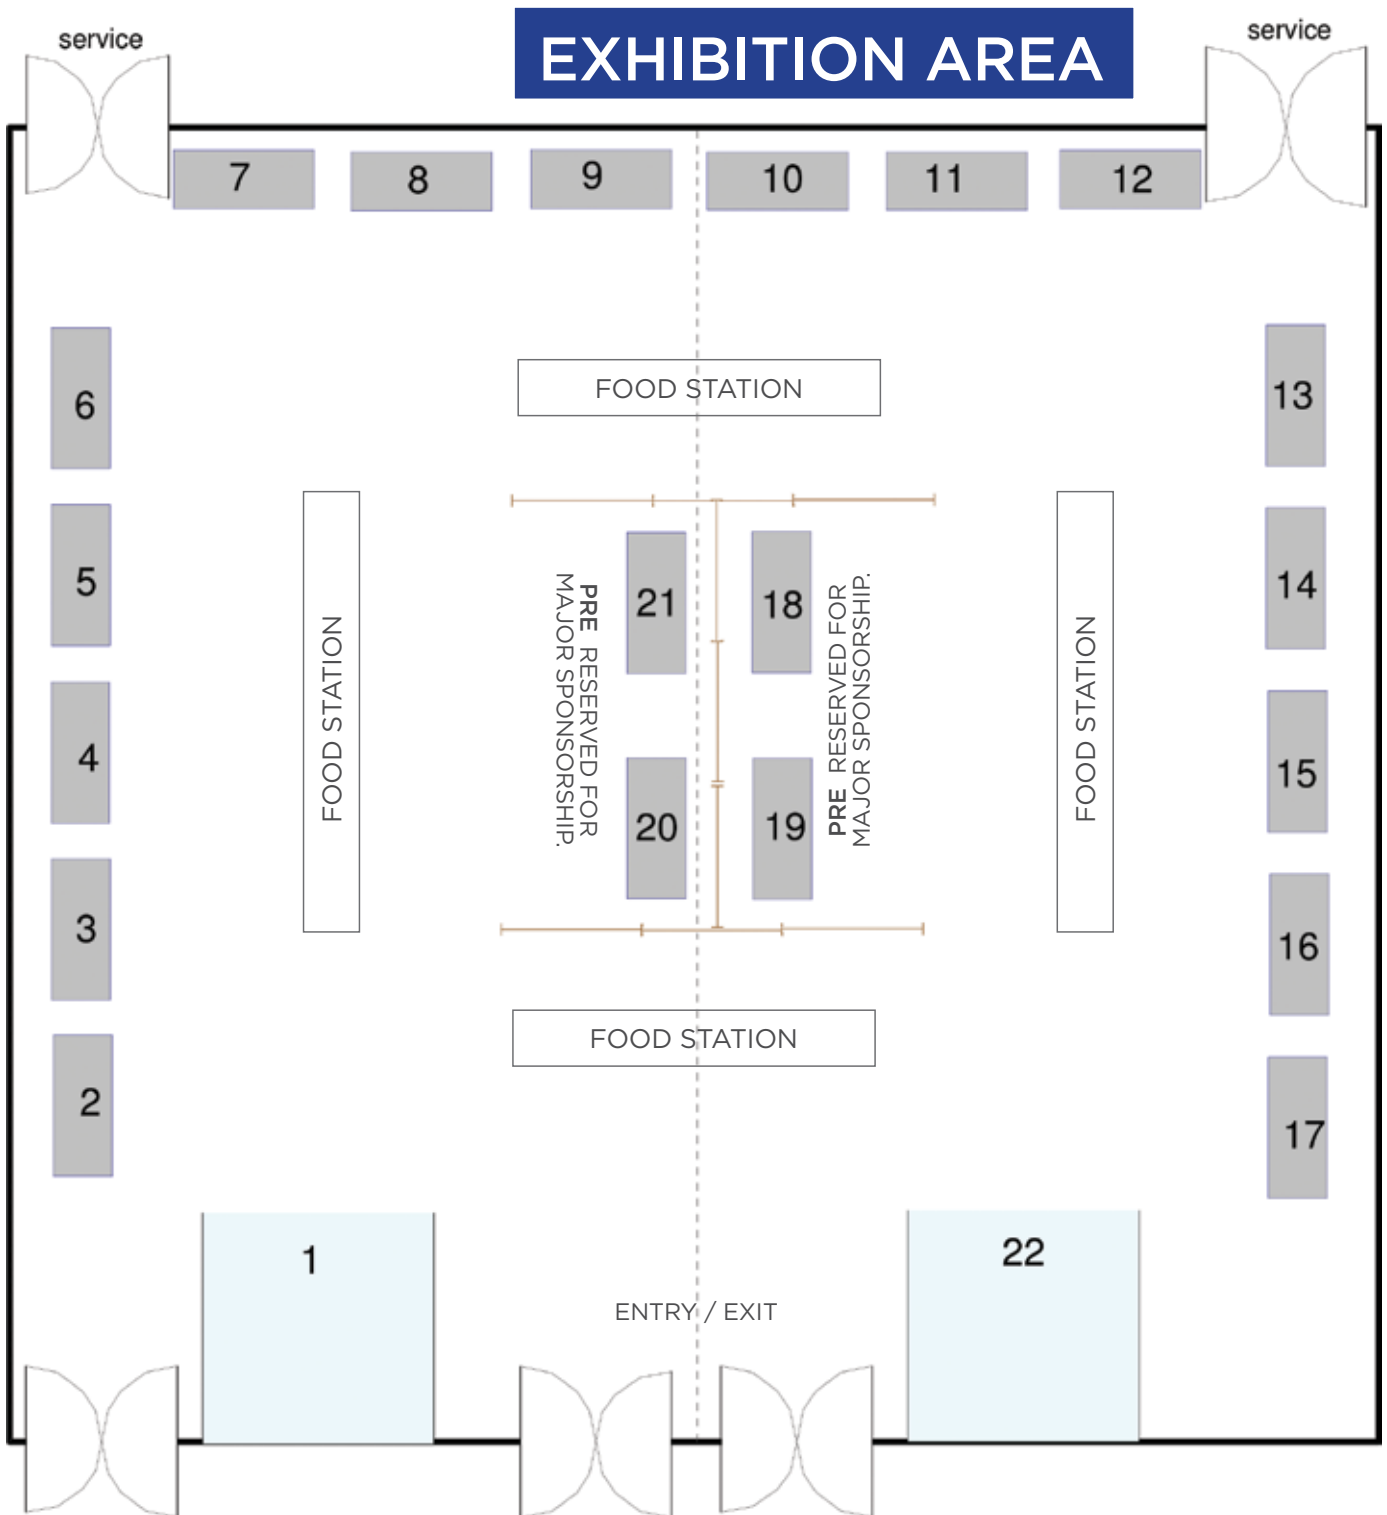

“The Advanced Aesthetic Plastic Surgery Workshop is a truly unique experience, combining a high level scientific program with exceptional social events. I highly recommend attending this fantastic meeting, both on the professional and social level and looking forward for my next visit to Melbourne.” **International Speaker - Dr Yoav Barnea**

“Love this course, I look forward to it every year.” **Dr Gary Avery**

“This was the second time I attended this meeting and again it was a great experience. The organisation was truly amazing with attention to detail, excellent quality and presentation of the lectures and outstanding social events. Worth flying over from Europe for!!” **International Speaker - Dr Benoit Hendrickx**

“The 19th Advanced Aesthetic Plastic Surgery Workshop is absolutely at the very top of my lists of favorite meetings I have participated in. Led by Graeme Southwick, this meeting is absolutely TOP NOTCH... the very best! It was one of my greatest honors to be a keynote speaker for the 19th Advanced Aesthetic Plastic Surgery Workshop this year.” **International Speaker - Dr Brad Calobrace**
